2022 DCJH Grant Overview

Projects/organizations that help the vulnerable and people living in poverty may apply for a Diocesan Campaign for Justice and Hope (DCJH) Grant. Grant funds are to be used for local programs and organizations, within the geographic boundaries of the Diocese of Springfield in Illinois. Programs should give realistic hope for the poor to break out of the cycle of poverty through effective and efficient interventions. This may include educational programs that address the root causes of poverty, programs that promote stable family life, and efforts to protect human life from conception to natural death. Grants are awarded on an annual cycle and do not imply subsequent years of funding. Recommendations for grant awards will be made to Bishop Thomas John Paprocki by the Diocesan Campaign for Justice and Hope Allocation Committee.

Organizations interested in receiving a Diocesan Campaign for Justice and Hope grant are required to complete and file a grant application **no later than February 7, 2022. Grants may be awarded up to \$3,000.** Decisions on funding and notification will be made at the end of May 2022. Grants will be awarded funding at the end of June 2022. The grant period is from July 1, 2022 - June 30, 2023.
